

Central PA HCQU Spring Training- April 27, 2021

HUMAN TRAFFICKING-

WORKING WITH INDIVIDUALS WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

Every year, millions of men, women, and children are trafficked worldwide- including right here in the United States.

Traffickers use force, fraud, or coercion against victims to manipulate them into engaging in commercial sex acts, or labor/services in exchange for something of monetary value (money, safety, transportation).

Traffickers will identify and leverage their victim's vulnerabilities in order to create dependency.

IT CAN HAPPEN IN ANY COMMUNITY.

You are invited to a Zoom meeting.

When: Apr 27, 2021 01:00 PM Eastern Time (US and Canada)
