REGISTER TO GET THE COVID-19 VACCINE

As vaccines become available, we will contact you to prepare for and schedule an appointment.

- The quickest and easiest way to sign up is online at **Vaccine.UPMC.com**. If you do not have access, a family member or trusted friend can quickly register you through this online form.

- If you are unable to register online, call **844-876-2822**.

If your first dose was not given by UPMC, you must return to where you received the first vaccine in order to get your second dose.

To find out if you are eligible to receive the vaccine, go to **covidportal.health.pa.gov/s/Your-Turn**.
